Sparkfree Fridges

Sparkfree Fridge 66L RLPRO217

The Labcold Sparkfree refrigerator range has a specially manufactured sparkfree interior with all sources of potential ignition removed from the chamber. Anything that could cause a spark is located outside of the chamber making it a significant aid to laboratory safety. For extra peace of mind it is backed by a 2 year parts and labour warranty.

For extra security an integral lock is fitted and the RLPRO217 features a NEW touch screen controller that display the temperature and features high and low audio and visual temperature alarms plus a door open alarm.

WARNING: Do not store open containers of volatile substances in this fridge
